Following receipt of your notification approving my use of the Service, I am authorized by you to remotely deposit paper checks I receive to my account with you (the "Account") by electronically transmitting a digital image of the paper checks to you for deposit. My use of the Service constitutes my acceptance of the terms and conditions of this Disclosure and Agreement. Upon receipt of the digital image, you will review the image for acceptability. You are not responsible for any image that you do not receive. Following receipt of the image, you may process the image by preparing a "substitute check" or clearing the item as an image. Notwithstanding anything to the contrary, you reserve the right, within your sole and absolute discretion, to accept or reject any item for remote deposit to my Account. I understand that any amount credited to my Account for items deposited using the Service is a provisional credit and I agree to indemnify you against any loss you suffer because of your acceptance of the remotely deposited check.

This indemnity will survive termination of my Account and this Agreement.

Check Requirements. Any image of a check that I transmit to you must accurately and legibly provide all the information on the front and back of the check at the time presented to me by the drawer. Prior to capturing the original check, I will indorse the back of the original check. My endorsement will include the words Mobile Deposit. The image of the check transmitted to you must accurately and legibly provide, among other things, the following information: (1) the information identifying the drawer and the paying bank that is preprinted on the check, including complete and accurate MICR information and the signature(s); and (2) other information placed on the check prior to the time an image of the check is captured, such as any required identification written on the front of the check and any endorsements applied to the back of the check.
